“...In the rich tradition of J.R.R. Tolkien and C.S. Lewis, *The Victor* is an action packed adventure novel of love, friendship, betrayal and sacrifice set in medieval times. Female students will love the romance of rescued love while male students will devour the scenes of jousting, knights and battles. Using ancient literature as the template, *The Victor* teaches lessons of enduring love, loyalty and reward in an exciting drama laced with unforgettable characters” – Lillian Jones, Library Media Specialist III, Laguna Beach High School
